**Dear:** EPA Regional Offices and Administrators of State Environmental Departments

**Reference:** Sole Source EPA Method 9 Visible Emissions Training and Certification Contract with Whitlow Enterprises USA Smoke School International

November 14, 2016

I am requesting that you consider a sole source legal binding contract, in accordance with Executive Order 13360, SBA Contracting with service connected disabled veterans. This would eliminate the lengthy process of acquiring bids. Whitlow Enterprises only has a hand full of competitors in the United States. None of our competitors have ever set foot inside of a factory except to conduct smoke school. Whitlow has 2 retired Louisiana DEQ officials on staff. Up to this point we can prove that your employees have never had any formal training on how to conduct an inspection. We have a long history of investigations to prove your personal are making a lot of serious costly mistakes.

I conducted smoke school for Louisiana DEQ from 1884 to 2001, when I retired to establish Whitlow Enterprises. In the beginning Environmental Services, out of Raleigh, provided smoke machines, service, and parts to each state environmental agency. They also provided annual EPA train the trainer programs for your employees. The late Tom Rose of ETA, a former EPA employee, ended this valuable opportunity for each state, by committing numerous Board of Federal Code of Ethics violations, including free service to state and federal employees, in exchange for special favors designed to eliminate competition, and to form an illegal nationwide monopoly.

Sincerely:

*Uncle Earl*

George Artie Whitlow (Uncle Earl), President and CEO  
Pamela Kennedy Whitlow (Miss Pam), Vice President

Whitlow Enterprises proposes to return things to the status quo by allowing each state to conduct their own smoke school once again, using their own equipment and personnel to get the job done right the first time. We shall provide your state of the art smoke machines, parts, service, and maintenance at a nominal cost. We shall provide 2 week long EPA train the trainer services here in West Monroe at our training institute. We can train all of your employees to conduct inspections and smoke school at a nominal fee. We will invoice your agency only \$100 for each employee we train for smoke school certification.

We will charge the nominal fee up to \$300 for employees of the companies that you regulate. This should generate up to \$300 each for the 500 expected attendees, every 6 months. We shall take care of the entire process from registration to certificates, and we shall split the profits equally with your agency.

We highly recommend that you conduct your semiannual smoke schools in each of your office regions in April and October, when the weather is mild. That is the way we did it before, when each state conducted their own smoke school. We recommend that you choose training locations with classroom facilities and picnic shelters for rain and snow. EPA recommends the classroom initially and every 3 years thereafter. We recommend that you conduct the field training and certification first thing at 8:00 AM to take advantage of the low sun position to avoid glare. We recommend that you print our training certificates onsite. Each attendee should earn a field certificate and a classroom certificate if applicable. By following our train the training procedures, all attendees should pass the certification test in 1/2 day. However you should conduct your training for 2 days at each location, to avoid overcrowding. You should conduct 2 training sessions a day, one in the morning and one in the afternoon. Whitlow Enterprises shall send at least 1 employee to each location to monitor your training, to provide assistance, and audit each of your smoke schools.

From the beginning, EPA only conducted audits as part of the special favor to Tom Rose and his ETA. For a few years EPA contracted with California EPA to audit all smoke schools, using a form written by Tom Rose of ETA. Since Tom Passed away on October 10, 2011, ETA has gone steadily downhill. Nucor Steel conducted the only official smoke school audit in years, using Tom Rose's audit form. ETA failed the audit and Whitlow Enterprises is the only smoke school to pass the audit. Since all the other smoke schools did not meet the requirements of EPA Method 9, your smoke school certificates are no longer valid, and your inspections will not stand up in court. We recommend that you contact us immediately and register for one of the schools on our schedule.

In addition we are currently asking for your assistance with filing environmental class action law suits against some of the factories that you are regulating. Our first class action will be against the farmers along the Mississippi Delta, who are exempt from EPA laws. Our investigators will be comparing your inspection findings with the CDC Atlanta Lung Cancer Statistics, and we may initiate prosecution for mass murder. IAW the National Freedom of Information Act we are requesting all complaint related inspection reports generated in 2015 and 2016. Our lawyers will make formal requests for the data if necessary. Thank you very much for your time and your service to our nation. Please call me on my cell phone, 318-450-0369 for further information. Miss Pam and I will be happy to sit down with you to sign the contract.

Employment opportunities: We are now accepting resumes for the following: computer geeks, graphic artists, office staff, sales, marketing, interior decorators, seamstress sewing, florists, real estate sales and brokers, notaries, license tag clerks, licensed pesticide, beauticians, cosmetologist, fresh lawyers, law students, environmental investigators to become raiders, car sales, smoke machine operators, and teachers, silk screen T-shirt operators, and welders and fabricators. The number one need right now is for someone to operate the \$40,000 three dimensional printer, engraver, and etcher.

## **Providing Opportunities for Service-Disabled Veteran Businesses to Increase Their Federal Contracting and Subcontracting**

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to strengthen opportunities in Federal contracting for service-disabled veteran businesses, it is hereby ordered as follows:

### **Section 1. *Policy.***

America honors the extraordinary service rendered to the United States by veterans with disabilities incurred or aggravated in the line of duty during active service with the armed forces. Heads of agencies shall provide the opportunity for service-disabled veteran businesses to significantly increase the Federal contracting and subcontracting of such businesses. To achieve that objective, agencies shall more effectively implement section 15(g) of the Small Business Act (15 U.S.C. 644(g)), which provides that the President must establish a goal of not less than 3 percent for participation by service-disabled veteran businesses in Federal contracting, and section 36 of that Act (15 U.S.C. 657f), which gives agency contracting officers the authority to reserve certain procurements for service-disabled veteran businesses.

### **Sec. 2. *Duties of Agency Heads.***

To implement the policy set forth in section 1, heads of agencies shall:

- (a) develop a strategy to implement the policy set forth in section 1;
- (b) make the agency's strategy publicly available and report annually to the Administrator of the Small Business Administration on implementation of the agency's strategy;
- (c) designate a senior-level official who shall be responsible for developing and implementing the agency's strategy;
- (d) include development and implementation of the agency's strategy and achievements in furtherance of the strategy as significant elements in any performance plans of the agency's designated agency senior-level official, chief acquisition officer, and director of small and disadvantaged business utilization; and
- (e)

include in the agency's strategy plans for:

- (i) reserving agency contracts exclusively for service-disabled veteran businesses;
- (ii) encouraging and facilitating participation by service-disabled veteran businesses in competitions for award of agency contracts;
- (iii) encouraging agency contractors to subcontract with service-disabled veteran businesses and actively monitoring and evaluating agency contractors' efforts to do so;
- (iv) training agency personnel on applicable law and policies relating to participation of service-disabled veteran businesses in Federal contracting; and
- (v) disseminating information to service-disabled veteran businesses that would assist these businesses in participating in awards of agency contracts.

**Sec. 3. *Additional Duties of Administrator of the Small Business Administration.***

The Administrator of the Small Business Administration shall:

- (a) designate an appropriate entity within the Small Business Administration that shall, in coordination with the Veterans Affairs' Center for Veterans Enterprise (CVE), provide to service-disabled veteran businesses information and assistance concerning participation in Federal contracting;
- (b) advise and assist heads of agencies in their implementation of section 2 of this order; and
- (c) make available to service-disabled veteran businesses training in Federal contracting law, procedures, and practices that would assist such businesses in participating in Federal contracting.

**Sec. 4. *Additional Duties of Administrator of General Services.***

The Administrator of General Services shall:

- (a) establish a Government-wide Acquisition Contract reserved for participation by service-disabled veteran businesses; and
- (b) assist service-disabled veteran businesses to be included in Federal Supply Schedules.

**Sec. 5. *Additional Duties of the Secretary of Defense.***

The Secretary of Defense shall direct the Defense Acquisition University (DAU) to develop training on contracting with service-disabled veteran businesses and make this training available on line through the DAU continuous learning program.

**Sec. 6. *Additional Duties of the Secretary of Veterans Affairs.***

The Secretary of Veterans Affairs shall assist agencies by making available services of the CVE and assist in verifying the accuracy of contractor registration databases with regard to service-disabled veteran businesses.

**Sec. 7. *Additional Duties of the Secretary of Labor and Secretary of Veterans Affairs.***

The Secretary of Labor and Secretary of Veterans Affairs shall, respectively, direct the Transition Assistance Program and the Disability Transition Assistance Program to educate separating service members as to the benefits available to service-disabled veteran businesses and as to potential entrepreneurial opportunities.

**Sec. 8. *Definitions.***

As used in this order:

- (a) the term "agency" means an "executive agency" as that term is defined in section 105 of title 5, United States Code, excluding an executive agency that has fewer than 500 employees, the Government Accountability Office, or a Government corporation;
- (b) the term "service-disabled" means, with respect to disability, that the disability was incurred or aggravated in the line of duty in the active service in the United States Armed Forces;
- (c) the term "service-disabled veteran" means a veteran, as defined in 38 U.S.C. 101(2), with a disability that is service-connected, as defined in 38 U.S.C. 101(16);
- (d) the term "service-disabled veteran business" means a small business concern owned and controlled by service-disabled veterans, as defined in section 3(q) of the Small Business Act (15 U.S.C. 632(q)); and
- (e) the term "small business concern" has the meaning specified in section 3(a) of the Small Business Act (15 U.S.C. 632(a)) and the definitions and standards issued under that section.

**Sec. 9. *General Provisions.***

- (a) Heads of agencies shall carry out duties assigned by sections 3, 4, 5, 6, and 7 of this order to the extent consistent with applicable law and subject to the availability of appropriations.
- (b)

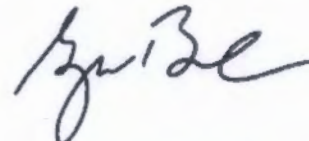

To the extent permitted by law, an agency shall disclose personally identifying information on service-disabled veterans to other agencies who require such information in order to discharge their responsibilities under this order.

(c)

An agency that consists of a multi-member commission shall implement this order to the extent it determines appropriate to the accomplishment of the agency's mission.

(d)

This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, instrumentalities or entities, its officers, employees or agents, or any other person.
